## BARLEY'S DRAFTS

### **Pilsner – 6.00 Pint, 14.00 Growler\***

Barley's Pilsner looks and drinks like a pilsner; we brew it using ale yeast with a healthy dose of Czech Saaz hops.  
ABV – 4.8%

### **Scottish Ale – 6.00 Pint, 14.00 Growler\***

Slightly malty and amber in color; tricky to brew, easy to drink. If you're not sure what you want, you probably want this beer.  
ABV – 6.6%

### **Pale Ale – 6.00 Pint, 14.00 Growler\***

Pale Ale was the first beer we brewed in our brewery and continues to be one of our flagship ales. Because of the rich color of the British malt, it is not very pale, but the rich flavor matches the color beautifully.  
ABV – 5.6%

### **Blood Thirst Wheat – 6.50 Pint, 16.00 Growler\***

Blood Thirst is citrusy and supremely refreshing with floral notes thanks to Sicilian blood orange zest added to the brew kettle, with puree added during and after fermentation.  
ABV – 5.0%

### **Russian Imperial Stout – 6.50 Pint, 16.00 Growler\***

The first time we brewed the Russian we didn't think we'd get all the grain in the mast tun. The result is a roasty fruity beer you might be tempted to eat with a spoon.  
ABV – 7.6%

### **Auld Curiosity – 6.50 Pint, 16.00 Growler\***

A silver medal winner at the National Real Ale festival, Auld Curiosity includes black treacle, resulting in a fruitiness that makes for a fine after dinner drink.  
ABV 7.6%

### **FHA IPA – 6.50 Pint, 16.00 Growler\***

Our Freshest Hops Available IPA is brewed with only the freshest hops around; there's just enough British malt backbone to support this hop heavy beer.  
ABV – 6.8%

### **Four Seas Imperial IPA – 7.00 Tulip, 18.00 Growler\***

Four Seas is our strongest and most flavorful IPA. More malt and more hops result in a powerful punch, highlighted by the alcohol.  
ABV 8.0%

### **Christmas Ale! – 6.50 Pint, 16.00 Growler\***

We wait all year for this brew to come along. Our Christmas Ale is a perfectly balanced Holiday Ale with orange zest, fresh young ginger, whole cinnamon sticks, and organic honey.  
ABV – 6.6%
